

MAKING BOOK COVERS

Find the component labeled Two and Three-Sound and Phrase Book Covers. There are 6 white sheets 11 1/2" x 21 1/4" and 1 sheet 11 1/2" x 12 3/4" for this component. When the sheets are cut they make 33 individual book covers.

ASSEMBLY INSTRUCTIONS

1. Cut each sheet as indicated by the cut lines.
2. Fold the covers in half so that the copyright appears on the front of each cover.
3. Apply the appropriate sticker to the front of each book cover. See the tables on page 26 below for sticker information.
4. Find the component labeled Transition Book Covers and repeat the process outlined above. There are 6 blue sheets 11 1/2" x 21 1/4" and 1 sheet 11 1/2" x 12 3/4" for this component.
