

BLACKLINE MASTERS

The Blackline Masters are provided to enable teachers to quickly and economically reproduce certain materials. The Blackline Masters may be reproduced by making photo-copies of them or by making thermofax masters of the Blackline Masters and duplicating the thermofax masters on a ditto machine. The Spelling Notebook described below does not have to be made at this time. The directions for making Spelling Notebook are listed below. The Notebooks do not have to be made for the start of the school year. They may be made just before you are ready to introduce them to your class.
